

## INTERNATIONAL ASSOCIATION OF MINECRAFT ARCHITECTS

---

### OFFICIAL STATEMENT TO THE COMMONWEALTH OF ALDOVIA

20<sup>th</sup> August 2018

To whom it may concern,

We regret to inform you that the HR division of the IAMA General Assembly has voted to reject your promotion to a full member, with a majority of the HR voting for an extended observation period in accordance to Chapter III, Section 2, Article 4 of the Charter of the IAMA. Your promotion has been re-scheduled to 27<sup>th</sup> August, a week from today.

We hope you understand that IAMA is a forum for Minecraft architects, and forums work best when its members are actively participating in discussions. Since your initial arrival, we have yet to see you participate in any meaningful discussion, other than a couple discussions in pertain to the role-playing of Aldovia, something we do not endorse here in the IAMA, as we believe that role-playing is unhelpful in terms of the development of your world. In addition, we fail to see any evidence that you are actively building, as your Twitter shows nothing but role-play related tweets. Hence, the HR has decided that you were unable to prove that you meet the requirements for promotion under Chapter III, Section 2, Article 4 of the Charter of the IAMA.

We hope that within the upcoming week, you would become increasingly active on the channel, and focus on building, rather than fictional role-playing. Once again, your promotion will take place a week's time on the 27<sup>th</sup> August.

Regards,

IAMA Executive Council
