

## INTERNATIONAL ALLIANCE OF MINECRAFT NATIONS

---

### OFFICIAL STATEMENT TO THE ITSRAMIN REPUBLIC

23rd July 2017

Dear President Ramin,

We deeply regret to inform you that you have been temporarily banned from the International Alliance of Minecraft Nations (IAMN) and will be put on probation until further notice, in accordance with Chapter IV, Article 5(b) of the Treaty of Democratia which you have agreed to adhere to on the 8th of June, 2017.

You have been found to violate Chapter II, Article 3(a), regarding disarming and halting the development of military equipment. It was apparent that you have ignored the aforementioned article, upon the release of images of a newly-designed jet fighter during an informal group discussion. Therefore, a voting session was held within the IAMN General Assembly, where the majority of the member states agreed to a temporary ban over a permanent one.

We hope you recognise that Chapter II, Article 3(a) was made in hopes that you would focus on the development of the ItsRamin City instead of investing time and resources in meaningless weaponry. One key roles of the IAMN is to ensure that newly emerged Minecraft nations are getting enough support to maintain one's development, as well as to ensure friendly relations between various Minecraft nations. The IAMN also strongly advocates the settling of international disputes by peaceful means in a manner that does not endanger international peace and security, as mentioned in Chapter II, Article 2(b) of the Treaty of Democratia. As such, contravening the fundamental principles governing the IAMN has hence provided the rationale for the ban.

During the ban, we would be observing your behaviour, as well as the development on ItsRamin City, as these factors will determine the period of the ban. We seek your compliance and understanding in this issue, and wish you all the best in the future developments of your city.

Yours sincerely,  
IAMN Secretariat
