

INTERNATIONAL ASSOCIATION OF MINECRAFT ARCHITECTS

OFFICIAL STATEMENT TO THE COMMONWEALTH OF ALDOVIA

29th August 2018

To whom it may concern,

We regret to inform you that the HR division of the IAMA General Assembly has voted to reject your promotion to a full member, with a vote of 5 passes, 8 extend, and 0 fails. With the majority of the HR voting for an extended observation, your promotion will be re-scheduled to the 5th September, in accordance to Chapter III, Section 2, Article 4 of the Charter of the IAMA.

We hope you understand that IAMA is a forum for Minecraft architects, and forums work best when its members are actively participating in discussions. While we have seen a significant improvement in your activity, we fail to see sufficient evidence that suggests your enthusiasm to the organisation, as well as your level of maturity when communicating with fellow members. Hence, the HR has decided that you were unable to prove that you meet the requirements for promotion under Chapter III, Section 2, Article 4 of the Charter of the IAMA.

We hope that within the upcoming week, you would become increasingly active on the channel and effectively use the IAMA as a forum for mutual assistance. Once again, your promotion will take place a week's time on the 5th September.

Regards,

IAMA Executive Council
